

GOV. JOHNSON IN LEADER'S PLACE

Takes up Roosevelt's Campaign in East and Will Fulfill His Engagements

WAS COMING WEST BUT OBEYS THE CALL OF DUTY

Action of Last Legislature Makes His Absence From the State a Legal One

FORT WAYNE, Ind., Oct. 21.—From now on until the end of the campaign Governor Johnson will be the direct personal representative of Theodore Roosevelt.

The schedule of Roosevelt meetings, the most critical period of the campaign, will not be canceled because of the Milwaukee episode. Every engagement will be kept and the closing days of this memorable political struggle will find the entire East aflame with Progressive sentiment. Beginning with a meeting tomorrow night at Camden, N. J., Governor Johnson will carry Colonel Roosevelt's message to Pennsylvania, Delaware, Connecticut, Massachusetts, Maine, New Hampshire and finally to New York.

If the unforeseen does not happen, the first of the series of New York meetings will be held at Madison Square Garden, Wednesday, October 30. Colonel Roosevelt will be present if all goes well in the meantime. This will be the first appearance on the same platform of the Progressive candidates for president and vice president since the actual opening of the campaign.

Accompanied by Mrs. Johnson, the Governor left Chicago this afternoon for New York, where he will hold a conference with Senator Dixon relative to plans for the next two weeks. Before leaving Chicago Governor Johnson prepared the following message to the people of California:

NEW YORK, Oct. 21.—Governor Johnson said today published stories about his resigning have only a foundation in the imagination of the reporters.

Message to California
CHICAGO, Oct. 20.—To the people of the state of California: My campaign in the East was concluded last night in Chicago and my preparations had been made for departure today to arrive in our state Wednesday next.

I had expected to devote the remainder of the time before election to California. I attempted assassination of Colonel Roosevelt has completely altered all of our plans and, as the vice presidential candidate of the Progressive party, I have been asked so far as I am able to take up the burden that Colonel Roosevelt was so ably and so bravely bearing and to continue the campaign until its close as had been contemplated by him. I had felt that it was my duty to return to my native state and I was very loath to remain longer absent; but my enlistment in this cause for which we strive was not for a day, but for all time and when the leader of that cause was suddenly stricken and I found him helpless here it seemed to have fallen to me to bear part of his burden and to continue the struggle as we had planned for him to do.

Takes Up Leadership
Reluctantly, therefore, for there are many reasons for my return that may be readily understood, I have yielded to the request of the Progressives of the nation and shall, insofar as I am able, continue this great battle that means so much for humanity.

The cause for which we strive—popular rule and social and industrial justice—is so well understood in California that I feel it may be safely left to those who have made and won the fight there.

In the wider field of the nation the part has been mine in the last sixty days to preach our California doctrine, and in the remaining two weeks, the most critical period of the struggle, it has fallen to me to continue the work with added responsibility. I feel that the situation will be thoroughly appreciated by all of those in our great state of achievement who have been in sympathy with the work that we have there done, and that they will gladly acquiesce in the necessity that compels me to remain away until election day.

HIRAM W. JOHNSON.

GOVERNOR HAS RIGHT TO BE ABSENT FROM STATE
SACRAMENTO, Oct. 21.—Reports that Governor Johnson stood in peril of automatically losing the governorship because of being absent from California for more than sixty days, was denied at the capitol today.

Avenged Insult To Sweetheart By Fatal Shots

EUREKA, Cal., Oct. 21.—Furious over a fancied insult to his sweetheart, Alleen Shaw, George Clark shot and killed Mrs. Charles Baxter, wife of the head cook of the Harmon engineering camp at the Jacoby Creek quarry, fatally wounded Baxter, and is himself hovering between life and death.

Miss Shaw was discharged because of Baxter's attentions, but returned with him to camp for dinner. The Baxters refused to serve her, and Clark shot them down, and then turned the revolver on himself.

The constitution allows the legislature to grant this permission, and Attorney General Webb has advised Governor Johnson that the resolution complies with the constitutional provision.

COL. ROOSEVELT OFF TO OYSTER BAY AT 8.25

Gallant Invalid Said He "Felt Bully", Although Exhausted by Short Walk

EARLY BULLETIN SHOWED CONDITION AS NORMAL

Bullet Definitely Located—Drs. Terrell and Lambert Are Accompanying Colonel

CHICAGO, Oct. 21.—Colonel Roosevelt started for Oyster Bay at 8:25 this morning. Forced to walk a few steps to an automobile, Roosevelt reached his private car exhausted. Beyond the fatigue he said he "felt bully." Mrs. Roosevelt, Ethel, Theodore, Jr., Drs. Terrell and Lambert accompanied Colonel Roosevelt, who waved his hat at the assembled nurses and said:

"Good-bye to everybody. I've had a good time here. You may not believe it, but I have."

Forty uniformed and uniformed officers accompanied the party to the train.

The last bulletin issued this morning said: "Pulse, temperature and respiration are normal. There is still some discharge of serum, but less filtration. The point of the bullet was definitely located this morning. It is sensitive to pressure. The Colonel's general condition is good. He rested well last night."

Liked His Nurses
Before leaving the hospital the Colonel gave each of the nurses his card saying: "Should I ever become ill again in the White House, or elsewhere, I certainly shall call on you girls."

Bulletin En Route Is Favorable
ABOARD ROOSEVELT CAR, FORT WAYNE, Ind., Oct. 21.—Drs. Terrell and Lambert issued a bulletin this afternoon to the effect that the Colonel is standing the trip well, and resting comfortably. Temperature and pulse are both normal. The Colonel was asleep when the train passed here.

ROCKEFELLER AND MORGAN ARE KINGS

House Probe Reveals That They Control More Than Third of Nation's Wealth

DO SO THROUGH INTER-LOCKING DIRECTORATES

Morgan-Rockefeller Group Has Total Assets Figured at \$39,718,328,366

WASHINGTON, Oct. 21.—The House committee on banking and currency, of which Representative Pujo of Louisiana is chairman, has concluded a special inquiry begun some months ago, the purpose of which was to find out to what extent the control of the commercial and financial interests of this country has been concentrated through the interlocking of the directorates of corporations.

Many experts have been employed in the investigation and their general conclusion, as reported to the committee in a formal, combined report, is as follows:

Two men control between them more than one-third—36 per cent—of the active wealth and natural resources of the United States. Those two men are J. Pierpont Morgan and John D. Rockefeller.

The vast, overpowering financial control which these two men, both of them New Yorkers, exercise over the industrial and financial affairs of the United States has been built up, the experts of the Pujo committee assert, by their establishment and extension of the interlocking system of directorates. In four pamphlets, privately printed for the use of Chairman Pujo, the committee and Samuel Untermyer, their counsel, the total assets of the Morgan-Rockefeller group are figured at \$39,718,328,366.

The new school was recently completed at a cost of \$24,000. It was formally opened to pupils today.

TAFT REPUBLICAN COMMITTEE ENDORSES DEMOCRAT NOMINEES

Wilson, Kettner, Hart and Mills Receive Offer of Support from Republicans Opposed to Roosevelt and Johnson

The Republican committee formed by the Taft Republican convention of Sept. 21 on Saturday endorsed the candidacy of four Democrats, Woodrow Wilson for president; William Kettner for congress; Louis D. Hart for state senator, and Dr. I. D. Mills for the assembly.

The endorsement came in two resolutions. The first resolution was one advising Republicans to vote for Hart and Mills, Democrats. This resolution was read by F. C. Spencer of Anaheim, and passed at the committee meeting. After it was adopted, some of the twenty-seven committee members who were present stated that they favored endorsing Wilson and Kettner. The motion was made that the secretary, J. C. Burke, prepare a resolution endorsing the candidacy of Wilson and Kettner.

The resolution that was passed on the Hart and Mills candidacies follows:

"Whereas, the candidates for the State Senate and the Assembly, John N. Anderson and H. V. Weisel, nominated at the recent primary election, under the name of Republicans, did at the late State Republican convention vote for presidential electors who are pledged to the candidates of the National Progressive party, and did in this manner expose their treachery and prove false to the Republican party.

"Therefore, we the members of the County Central Committee of the Republican party of Orange county, do hereby condemn the action of the said

candidates in thus betraying the confidence imposed on them by the members of the Republican party and are unworthy the support of loyal Republicans, and

"We do, therefore, advise all members of the Republican party to vote at the coming election for the regular Democratic nominees for the state legislature, and

"Be it further resolved, that this committee was instructed by the Republican County Convention held in Santa Ana, on Sept. 21st, to fill the vacancies on the legislative ticket, and we the Republican County Central Committee, do hereby fill those vacancies by endorsing the candidacy of Louis Paul Hart, for State Senator of the 39th District, and I. D. Mills, candidate for the Assembly of the 76th District."

Hart and Dr. Mills were informed of the action of the committee, and they appeared before the committee and made short addresses in which they thanked the committee for its action.

The committee that met on Saturday is not to be confused with the Republican County Central Committee that was appointed at the convention of Sept. 14. That committee, of which S. J. Jackson is chairman and W. H. Thomas secretary, maintains that it is the only legal Republican county central committee in this county. That committee, is supporting Theodore Roosevelt for president, S. C. Evans for congress, J. N. Anderson for state senator, and H. V. Weisel for assemblyman.

WILSON ENDS HIS PRESENT CAMPAIGN

Will Make no More Speeches Unless Roosevelt Gets Into Fight; Taft to Close Beverly

PRINCETON, N. J., Oct. 21.—His campaign for the presidency concluded, Governor Woodrow Wilson returned to Princeton last night to remain until after the election.

Unless Colonel Roosevelt gets back into the fight the governor will make no more speeches in the national contest, although he will probably make a few speeches in his home state to urge the election of a Democratic Legislature, which, if he is elected president, will name the man who is to fill out his unexpired term as governor. He is also interested in seeing Judge William Hughes sent to Washington as United States Senator.

PRES. TAFT SOON TO CLOSE BEVERLY SUMMER HOME

BEVERLY, Mass., Oct. 21.—President Taft yesterday talked over plans for closing his fourth summer in Beverly about the first of November.

The President and Mrs. Taft, with Major Thomas L. Rhoades, went to Gloucester yesterday for church services. After returning to Paramount the President spent a quiet afternoon. He leaves Friday to attend the dedication of the National Polish Home at Cambridge Springs, Pa., October 26.

Fine Trip Planned For Members of Auto Club

H. D. Connell and Clyde Walker, president and secretary of the Santa Ana Automobile Club, and committees have arranged a fine trip for the third run of the club. The run will be made on Wednesday of this week, the start being from the city hall at 8 o'clock.

From Santa Ana the automobiles will go through Orange and Olive and up the Santa Ana canyon through Corona and Arlington to Riverside. Luncheon will be taken at the Glenwood Hotel, where special rates will be given the guests, with special music during the noon meal.

The start from Riverside will be at 1 o'clock. The route will carry the Santa Anans through Redlands, San Bernarino, Cucamonga, Uplands, Ontario, Claremont, Pomona, Brea canyon, Fullerton and Anaheim.

On this one trip, the visitors will see more Southern California cities than on either of the other runs conducted by the club. The first trip took the autos through Orange, Anaheim, Fullerton, Whittier, Norwalk and Long Beach. The second route was through Tustin, San Juan Capistrano, Oceanside and San Luis Rey. The club will have a repair car following the automobiles so that any mishaps may be quickly taken care of by expert mechanics.

CAMPAIGN SHOULD BRING OUT VOTES

So Says Taft; Says Danger to This Government is Lack of Interest of Citizens

BEVERLY, Mass., Oct. 21.—President Taft's views as to how a president should be elected, to the United Press today by President Taft; copyrighted, 1912 by the United Press Association.

"Mr. President, How do you personally think a presidential campaign should be conducted?"

"In such a way as to bring out as many votes of citizens as possible. The great danger to a Republican form of government is a lack of interest in politics, and a failure of the exercise of suffrage by a large number of citizens. I regret to say that statistics show those neglecting this important duty as generally being intelligent and capable of exercising such discrimination in voting that would make for good government."

"The press of course is the chief instrument of keeping before the public the controversies of the campaign, but other methods are coming in vogue. I doubt whether personalities have anything like the effect those using them think they have. Sometimes there is a real revelation of the character of the candidate, and so clearly proven to his detriment that he suffers. Ordinarily the use of epithets and personal attacks on candidates only anger friends and gratify their enemies, but do not affect the indifferent ones."

His Prescription

Boerhaave, the greatest doctor of his time, was anxious that it should go forth that even the most eminent doctor is somewhat of a "humbbug." He carefully handed the key of a small diary to his executor, bade him open it immediately after his decease and let the contents go forth to the world at large. When the notebook was opened all its pages but the last were blank, and on that final one there was written in large letters, "Directions to Patients: Keep your feet warm and your head cool and trust for the rest to Providence."

Turks Intercept Foemen at River Boyana and Massacred Three Hundred

LONDON, Oct. 21.—A gigantic war involving all Europe is predicted today by Kiamel Pasha, president of the Turkish council, in the London Chronicle. He says the present disturbance is merely a prelude to the general conflict. He predicts that Austria and Russia are watching the Balkan war with hungry eyes. Austria will precipitate the warfare, Russia will follow, then other European powers, will be forced to join, unless they desire to see the Ottoman empire split between those two.

Allies Press on to Adrianople
SOFIA, Oct. 21.—Having overcome every fortified Turkish outpost in fighting that cost hundreds of lives, the allied Bulgarian and Serbian armies last night began an advance on Adrianople, the key to the Bosphorus and the most difficult obstacle between an attacking force and Constantinople.

Saturday and yesterday Mustapha Pasha, Tzarevo, Gorna, Dzumala, Barakova and Palanka had fallen before the Bulgars. Among the killed before Mustapha Pasha were four Turkish officers of high rank.

Turks Leave Guns and Flee

Bombarded Turkish Warships
SOPHIA, Oct. 21.—The Bulgarian Fort Kavarna bombarded Turkish warships today. The customs house is reported destroyed, and a number of dwellings badly damaged.

TURKS WILL MAKE FIRM STAND AT STRONGEST FORT

LONDON, Oct. 21.—News of the advance of the Bulgarian and Serbian armies on Adrianople was confirmed in news dispatches received here last night. Military experts express surprise that the allied armies have been able to meet and overcome the Turkish outposts in so short a time.

The capture of Adrianople would be a victory of great strategic importance, but here, it is agreed, the Turks will present a more imposing front than any yet encountered by the Balkan soldiers of the capital, and Salonika maintains the strongest fortifications of the Turkish Empire. The city is encircled by a ring of forts equipped with 300 modern guns. One hundred thousand troops are said to be within the city's gates.

TURKS DEFEAT MONTENEGRINS AT RIVER BOYANA CROSSING

LONDON, Oct. 21.—Constantinople dispatches to the Evening Standard today say: "The Turks surrounded a Montenegrin force crossing the River Boyana, killing three hundred and capturing several positions."

The dispatches do not say when the battle occurred. The Turks in Constantinople accuse the Montenegrins of using dum-dum bullets, shelling Turkish hospitals and killing wounded at Luzi and Berana.

U. S. Army Officers Would Fly From College Park to Augusta, Ga., for Winter Practice

WASHINGTON, Oct. 21.—Some of the army aviators at College Park in a few days will ask the War Department for permission to fly from the park to Augusta, Ga., a distance of 4.2 miles, for the winter practice. The aviators prefer this way of moving to the old-fashioned one of taking the machines to pieces and sending them by freight.

The officers who are expected to go to Augusta are Captain Candler, Captain Frederick Hennessey, Lieutenants Henry H. Arnold, Thomas De Witt Milling, Harry Graham, L. H. Call and E. L. Ellington.

MICHIGAN TO VOTE ON EQUAL SUFFRAGE

Women Will Not Electioneer at Polls But Will Have Tag Day on November 2

GRAND RAPIDS, Mich., Oct. 21.—On Tuesday, November 5, the men of this state will vote on an amendment to the state constitution granting suffrage to women. But the women will not be standing outside the polling places to influence the voters. This action is the result of the decision of the Michigan Equal Suffrage Association after a five months' campaign.

There will be a "Tag Day" Saturday, November 2, when more than 500,000 tags will be distributed throughout the state by campaign workers. These tags, advocating woman's suffrage, will be quietly handed to voters. Workers who undertake this mission will be carefully enjoined to observe the following:

"Do not argue with or abuse voters. 'Look pleasant. 'Don't get excited. 'Be dignified."

ORANGE COUNTY PEOPLE ENJOY DAY AT HARBOR

Two hundred and fifty of the citizens of Santa Ana and Orange county accompanied the excursion to Los Angeles Harbor and Wilgaty Tract, conducted by the F. P. Newport Company of Los Angeles, on last Thursday.

It was necessary to send to Los Angeles for extra cars to accommodate the large number of people who wished to take this splendid trip, even then it was necessary to leave over one hundred people behind on account of the lack of car space. In order to accommodate those who were disappointed and others who wish to see Los Angeles Harbor another excursion will be run from Santa Ana, next Thursday, October 24th, leaving the Pacific Electric ticket office, Fourth and Main streets, at 9:30 a. m. Tickets should be secured early as the number will be limited to two hundred. Tickets can also be secured of the F. P. Newport Company's agents at the Rossmore Hotel.

Those who accompanied the excursion last Thursday report one of the most instructive and enjoyable excursions ever run out of this city.

The special train was run directly to San Pedro where the excursionists were awaiting the excursionists to transport them over the harbor. The harbor presented a busy scene, seven great ocean liners were loading and unloading freight and passengers and scores of lumber schooners were in port. The "Nellie" steamed past Dead Man's Island, Huntington Island, Miner Island, where two miles of docks are being built, giving a view of Point Fermin, where the government is about to expend \$3,000,000 in fortifications. The government break-water, over two miles in length, which was built by the government at a cost of \$3,000,000, was next visited. The trip was then made up through the inner harbor, past Mormon Island and Wilmington, the future industrial center of Southern California, at the head of the harbor. At the point where rail and Harbor meet is located Wilgaty-at-the-Harbor Tract, which has been the real estate sensation of the year.

The excursionists were next conducted to Wilgaty Tract where a fine lunch was served by the F. P. Newport Company, after which a splendid address was given by Col. D. R. Woods of Wilmington, who has taken an active part in harbor developments in the past twelve years. He told of the past history of the harbor, its present activity and the great future for the harbor which will be the New York Harbor of the Pacific Coast, and it is predicted by experts that it will be one of the four great harbors of the world.

Our people of Santa Ana and Orange county have taken a great deal of interest in Los Angeles Harbor. This is the third excursion that has been run to Wilgaty Tract and the harbor from Santa Ana and by the F. P. Newport Company.

Our people now own over \$50,000 worth of lots at Wilgaty, which they have purchased within the last three months.

Round trip tickets, including car fare, boat trip and lunch are sold for 75 cents each. You can get several dollars' worth of information, pleasure and profit out of this trip, but secure your tickets early if you wish to go next Thursday, as it is predicted that many will be unable to secure tickets.

TO HAVE DELEGATE AT THE CONFERENCE

Meeting With Maj. Gen. Wood is to be Held in Los Angeles in Few Days

Secretary Metzgar, of the Chamber of Commerce, has received notification from Frank Wiggins, secretary of the Los Angeles Chamber, that Maj. Gen. Leonard Wood, U. S. A., will arrive in Los Angeles about October 25 for the purpose of inspecting fortification sites and also investigating the advisability of establishing an army post in Southern California. In order that Gen. Wood may be properly impressed with the advantages this section offers in the latter respect it is suggested that the local body, and also the Associated Chambers of Commerce, appoint a delegate to a conference to be held in Los Angeles at such time as will be convenient to Gen. Wood. At the last meeting of the local body Gen. Case was appointed a committee to look into the chances of securing the location of the proposed post in Orange county, and he will probably be delegated to represent the two bodies at the conference.

An invitation has been extended to the officers and members of the local Chamber of Commerce to attend a public reception to be given next Friday evening by the Redlands Chamber of Commerce, in celebration of the opening of its new home, which has been erected at a cost of \$4500. Any one wishing to attend is requested to notify Secretary Metzgar.

Many Register Readers Have Heard it and Profited Thereby

"Good news travels fast," and the thousands of bad back sufferers in Santa Ana are glad to learn where relief may be found. Many a lame, weak and aching back is bad no more, thanks to Doan's Kidney Pills. Our citizens are telling the good news of their experience with this tested remedy. Here is an example worth reading:

S. H. Whitehead, 607 W. First St., Santa Ana, Cal., says: "A great many people have called upon me to learn about my experience with Doan's Kidney Pills and at such times I have always recommended this remedy in the highest terms. For several years I was troubled by a weak and painful back. If I did any lifting or over-worked, I suffered from sharp twinges through my loins. I also had much trouble from the kidney secretions, the passages often being too frequent, then again just the reverse. Doan's Kidney Pills, procured at Dean's Drug Store (now Wheeler & Mateer's Drug Store) helped me at once and it was not long before I was entirely relieved."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

HOW A BUSY WOMAN CAN MASSAGE HERSELF

In an article in the October Woman's Home Companion on "Massage," appears the following:

"Even a woman who has but little time to devote to it may have a good complexion and not get sallow and wrinkled. These exercises, planned originally for the business woman, are equally good for the tired housemother."

"Here is what you need: Plenty of soft water; one pound of finely ground oatmeal, from the grocer; a bottle of almond-oil, or a jar of good cold cream; a packet of fuller's earth for face-powder; a cup of boiling milk every night."

"Four half or a quarter of the cup of boiling milk into the wash-basin, and quickly with your hands rub the milk all over your face several times. Rub it well in; wash in it, little as it is. I still declare, after many years, that there is nothing in the world so refreshing and soothing after a hard day's work as this. The milk in the basin is black? Yes, it always is. It cleanses the skin thoroughly. Now slip the rest of the cupful of milk very slowly. Nothing like hot milk for over-tired, strained nerves."

Remove bolster and pillow from the bed; lie down absolutely flat on your back for at least five minutes, arms extended, feet extended; draw several deep sighing breaths, release them very slowly, relax every muscle in your body. Then moisten finger-tips with cold cream or almond-oil, and for ten minutes or a quarter of an hour, still lying down, very, very lightly do the simple exercises, and do not forget, whatever you do, that hard pressure will ruin any skin, by stretching it. Then, with a soft rag, wipe off the superfluous oil. In the morning take some oatmeal in the palm of the left hand, mix a little hot water with it to form a paste, and rub it well over the face. Rinse it off and dry your face with a hot towel, using the three exercises. If your skin is shiny, dust over lightly with cotton-wool dipped in the fuller's earth. These exercises must be done regularly every evening.

"Beauty points: 'Paint is dirt on the face, and means dirt on the mind. Get a good sleep before twelve o'clock at night. Fresh air means a fresh skin; sleep with your bedroom window wide open, top and bottom.'"

Saves Leg of Boy

"It seemed that my 14-year-old boy would have to lose his leg, on account of an ugly ulcer, caused by a bad bruise," wrote D. F. Howard, Aquone, N. C. "All remedies and doctors' treatment failed until we tried Bucklen's Arnica Salve, and cured him with one box." Cures burns, boils, skin eruptions, piles. 25 cents.

Jane Addams Chorus Planned for County

The formation of a "Jane Addams Chorus" is one of the campaign plans of the Progressives of the county. The following appeal to women voters has been issued:

To Progressive Women of Orange County:

Oh woman! In our hours of ease, Uncertain, coy, and hard to please, When pain or anguish wrings the brow, A ministering angel thou!

Our leader, Theodore Roosevelt, has been disabled; we hope temporarily, and we women "ministering angels," must come to the front and help on the cause so dear to his heart. A

LEAGUE IS IN FAVOR OF THE AMENDMENT

In regard to constitutional Amendment No. 8 on the ballot, the following letter has been received:

San Francisco, Oct. 19, 1912.

To the Editor:

The League of California Municipalities at its recent Berkeley convention adopted the following resolution:

"Resolved, That the city officials of California be and they are hereby requested to do all in their power to secure the adoption of the constitutional amendment providing for home rule in taxation."

Pursuant to the implied instructions in the resolution, it is our desire to call public attention to this amendment and will ask your generous co-operation to secure this end.

It is one of the most important questions to be voted on and we are anxious for the voters to understand just what it means and for them not to be deceived by false statements in respect thereto.

It is not offered by Single Taxers or any organization having a pet theory of taxation. It simply opens the doors that a better system of taxation than that at present in use may be discovered. It gives to the people of the several communities a chance to improve the taxing system.

In other words, are you willing to trust yourself and your fellow citizens of your own county or town with power to decide by a majority vote, what property shall be taxed and what property, if any, shall be exempt from taxation in your county or town?

It affords an opportunity to educate the people in the matter of taxation, and knowledge of this subject will make them better able to discharge the duties of citizenship.

All of the objections offered to the amendment, when analyzed, will be found to be based on the assumption: that if the people are given this power they will do something that will injure themselves—the old, worn argument of aristocracy and monopoly.

We trust that you are in accord with us in this matter and can find space to give it a favorable notice.

Appreciating any favors in this connection, I am,

Sincerely yours,
H. A. MASON,
Secretary League of California Municipalities.

PROFITABLE DAILY TITHING.

"Daily Heavenly Manna."

This little book is having the largest circulation of any of its kind and is conceded by Christians everywhere to be the most helpful.

If Christians allow the rush and crush of selfish ambition to deprive them of their daily portion of heavenly food, they must not be surprised if they grow spiritually leaner day by day, and if the peace of God gives place in their hearts to the discontent which is growing in the world, notwithstanding the multiplication of our comforts and privileges.

Daily Heavenly Manna contains a collection of Scripture texts with appropriate quotations for every day in the year. Surely the little tithe of time daily spent in partaking of its morsels of heavenly counsel cannot fail to profit all who partake. It is published to do good—not for profit.

Your Friends' Birth Dates.

An autograph and birthday record feature in this book is a great convenience. Opposite each day of the year are blank lines upon which you can secure the autographs of your friends and be reminded of their birthdays as they occur. This makes the book more valuable yearly. In ten years you would not sell it for ten dollars.

Besides it has a place for Birth Records, Marriage Records and Death Records. Also it has a table showing the day of the week of any date for one hundred and fifty years.

20 BURNED IN GASOLINE EXPLOSION IN PETALUMA

PETALUMA, Cal., Oct. 21.—Over twenty persons, including members of the volunteer and paid fire department and the mayor of the city, were painfully burned yesterday morning as the result of a gasoline tank of an automobile exploding on upper Main street in the heart of the business section of the city.

The car caught fire while being demonstrated in a garage. Two of the victims probably will not recover.

An Apt Illustration

"Pa, what's an inscrutable smile?" "It's the kind, my son, your mother had on her face this morning when I told her business might keep me out."

Jane Addams chorus is forming in Orange county, and every progressive woman is asked to join us in learning the old songs and singing them on occasions when our prominent Progressive speakers visit our county.

The leaflets can be obtained from Mr. Evan Davis at Orange, and if each member will learn the words (the tunes are very familiar) only one general rehearsal will be necessary, and notice of that will be given. Send in your names immediately to Mrs. J. E. Parker, or the undersigned,

MRS. I. N. COLLINS,

FLORIDA IS RUSHING ITS GRAPEFRUIT CROP

The Packers News publishes the following from Miami, Florida, under October 11 date:

With the closing of the second week of the 1912 citrus season most of the packing houses in this section have started operations. Contrary to expectations, a large percentage of the fruit has been found mature and ready for shipment. It is probable that the season will go forward much faster than last year, and while the crop is much larger, the outlook now is that it will be wound up fully as soon.

The Florida Citrus Exchange packing house at Coconut Grove, about seven miles south, opened this week, and will turn out about ten cars by Saturday night. A. J. Potter, one of the pioneer grapefruit growers of this county, is in charge. The Exchange packery has a five ton gasoline truck, said to be the largest in the county, with which it conveys fruit from the groves to the packing house. The advantages claimed in favor of this is that about two loads can be transferred with it to one by horse and wagon, and that much larger loads can be carried.

There will be about 50 cars moved as the result of the second year's packing from points in this immediate section. Prices are satisfactory to the packers, and to growers shipping their own fruit. The larger percentage of the growers in this section prefer to sell the fruit upon the trees, and this has been more largely done than ever before. Fruit being packed this week shows better color than last week, and is better matured. Packers are still insisting that the packers discriminate, and few groves are being picked clean. The fruit which is not well colored is left upon the trees, to be gathered later.

Saved by His Wife

—She's a wise woman who knows just what to do when her husband's life is in danger, but Mrs. R. J. Flint Brantree, Vt., is of that kind. "She insisted on my using Dr. King's New Discovery," writes Mr. F., "for a dreadful cough, when I was so weak my friends all thought I had only a short time to live, and it completely cured me." A quick cure for coughs and colds, it is the most safe and reliable medicine for many throat and lung troubles—grip, bronchitis, croup, whooping cough, quinsy, tonsillitis, hemorrhages. A trial will convince you. 50 cents and \$1.00. Guarantee by all druggists.

Six Reasons Why You Should Do Business With This Bank

1. Depositing your money in bank makes it absolutely safe from loss by robbers, fire or accident.
2. With a bank account you can pay your bills by check. The canceled check is a legal receipt for payment. You cannot be made to pay the bill twice.
3. A check book makes all your money available at any moment, and you are never bothered about making change.
4. The bank keeps your books. Every deposit and the amount of the checks you draw are carefully entered in your pass book by expert bookkeepers, so that you know where you stand at the end of the month.
5. Nearly every man needs to borrow money at some time. If you are well known at the bank, through your bank account, it is easy to get accommodation.
6. Every check you write is an advertisement of your good business habits and solid worth, which has the effect of raising you in the general esteem of your neighbors.

Any one of the above reasons is of itself sufficient to influence you to open a bank account. It will only take a short acquaintance with this bank, and the facilities it offers, to convince you that six reasons are only a few of many more why you should make it your financial home. Now is the time to begin the practice of these most approved business methods, and to make this bank what we want it to be—

THAT ENDORSEMENT

The Republican committee, created by a convention of Republicans who favor Taft, has endorsed Wilson for president, Kettner for congressman, Hart for state senator and Mills for assemblyman. The committee is composed of Republicans who hitherto as a fundamental and most important governmental belief have declared for a protective tariff. Wilson, Kettner, Hart and Mills are Democratic nominees, and their party is a tariff-for-revenue-only party. The tariff-for-revenue-only policy has been fought with all the power those Republicans possess. They have taken the stand that California products need protection.

And yet they have endorsed Democrats, including the presidential and congressional nominees. The very convention that named the committee that endorsed the Democratic nominees passed resolutions in which the following appeared:

"This convention, representing the true and uncompromising Republicans of Orange county, desirous to impress upon all voters, of all parties, of our commonwealth, and if possible, those of the state and nation of the grave crisis now confronting them. For the first time in nearly twenty years the Democrats are emboldened to return to the tariff as a national issue, upon which their last historic victory was won. They stand now as they stood in 1892, absolutely pledged to the policy of tariff for revenue only. In 1893 it was conclusively demonstrated that a tariff for revenue only was a tariff for soup-kitchens, industrial paralysis, commercial ruin, and general suffering and want."

That is what the Taft Republicans of Orange county said on Sept. 21, just a month ago today.

What do you Republican orange, walnut and sugar beet growers think of the endorsement given Democratic nominees by Republicans?

Is it revenge that prompted such action as was taken Saturday?

Mere revenge! An opportunity to even things up with those opposed to them in politics! "Protective tariff be hanged, we want to get at the throats of the fellows we don't like." That is the gist of what it means.

The Register does not believe that any considerable number of Taft Republicans are going to be led into giving support to tariff for revenue only candidates. The procedure by the committee on Saturday will be knock-out sky-high when the sober, thoughtful business judgment of the voters of this county is expressed at the polls on November 5.

MURDER

There was a time when the fear of sudden death by violence was very real and very near. As one reads about the Rosenthal murder in New York, it seems like some reversion to the brutality of the Middle Ages, when at the street corner of any town, or in any country road, the cry of "Murder!" was so often the last desperate shriek of a life in its final agony. It was, indeed, in those days

It meant that a true man must put hand on steel, and risk life itself for the rescue of the weak.

The lust of gold has produced in New York, an underworld of crime that is as close to the beast as the rough and coarse life of the Dark Ages.

"I will croak him, you will croak him, he will croak him" is the conjugation of the ominous verb that seems to figure very largely in the conversation of the New York gunmen. It makes no difference whether the particular men on trial are guilty or not, in any event there is a community of barbarism in the great city which will try to keep on "croaking" people who know too much for the good of the gang.

These modern outlaws wear stylish coats and collars, have attended school and speak English with a degree of precision, they use motor cars with some familiarity with this triumph of modern science.

But within all this surface polish of civilization, there is the heart of the wolf, and no more feeling for humanity than was possessed by the naked and hairy ruffian of the Stone Age, who beat out his neighbor's brains as he would kill a beast of prey.

It is a serious problem. What is to be done with these men without souls that are growing up in the heart of our big cities?

NO BETRAYAL

By resolutions passed Saturday a committee of Taft Republicans declared that Anderson and Weisel were false to the Republican party in that they voted for Roosevelt electors. There was no treachery about it. Anderson and Weisel went before the Republicans of this senatorial and this assembly district and told them plainly that if they were nominated they would vote for Roosevelt electors. There was not an iota of deceit about it. On that issue, and with that statement to the Republicans of these districts, the Republicans voted to nominate Anderson and Weisel. It was the desire of the Republicans of this district that men be nominated who would vote for Roosevelt electors. Had Anderson and Weisel voted otherwise than they did they would have been false. They carried out their pre-nomination pledges to the letter.

WORKING MEN FOR T. R.

Two non-partisan polls were recently made among the employees of the federal government at Washington. One was in the shops at the navy yard and the other in the bureau of engraving. The employees in both of these places are men in trades and 89 per cent of them go home to vote. The results were as follows:

First poll taken in machine shop, United States navy yard, Washington, D. C.; in the shop at the time, 62 machinists; they give the following preferences:

For Roosevelt 58
For Wilson 3
For Taft 1
For Debs 0

The bureau of engraving and printing poll was taken among the plate printers on the night force; the poll was taken by a young plate printer who is not himself for Mr. Roosevelt, but who promised to make an absolutely impartial canvass; at the time of the taking of this poll 53 men were on duty in the room; the room was not selected, but happened to be the one in which the taker of the poll worked; the result follows:

For Roosevelt 33
For Wilson 19
For Taft 5
For Debs 9
Non-committal 14

THE TARIFF A B C

Fresno Republican: This is the alphabet, the very primary school of tariff lore. But some of us are confessedly in the A. B. C. class, and for the rest there can be no harm in making it simple.

A tariff is a charge put on foreign goods, for the privilege of entering this country.

Tariffs are for protection and for revenue. A tariff for protection will produce incidental revenue, but a tariff for revenue only is not intended to produce incidental protection and it consistently carried out will not do so. The rule does not work both ways.

A tariff for protection must be levied on something also produced or producible in this country; otherwise there would be nothing to protect. A tariff for revenue only is best levied on goods not produced in this country.

For instance, free-trade England has a tariff on coffee, while high-tariff America has free trade in coffee. A coffee tax is useful for revenue and worthless for protection.

The purpose of a protective tariff is to give the American producer at least an equal chance in the American market. Lemons, for instance, are produced in Sicily and in California. Labor, and other producing conditions are cheaper in Sicily, and freight is cheaper from Sicily across the ocean than from California across the continent. Unless there is a tariff charge on the imported goods, enough to equalize this difference, the California product can not be sold in the principal American markets, and the California industry can not exist. The same argument applies of course to raisins, olives, walnuts, and most of our principal California agricultural products. It will be well to note that

Vegetable Glutons
Sundews, common in English marshes, are sufficiently knowing to distinguish between various substances presented to them. Offer them a scrap of tender beef, and in a couple of hours they will have concealed it from sight. Try them with a piece of chalk or a tiny pebble, and they remain stolidly immovable. Wet the chalk and offer it again, and the plant apparently mistakes it for meat, the bristles gradually closing round it; then, discovering the deception, they gradually relax and return the chalk without thanks. These vegetable glutons will absorb morsels of poached eggs and mutton chops, but need not turn the leaves quite black and finally kills them.

ROOSEVELT APPROVES TUBERCULOSIS DAY

"I am very glad indeed that arrangements are being made to have attention directed throughout the United States on 'Tuberculosis Day,' October 27th, to the immediate urgent duty resting upon us all to do all we can do to prevent this preventable disease," says Colonel Theodore Roosevelt in a letter made public today. This letter was written by Colonel Roosevelt as honorary vice-president of the National Association for the Study and Prevention of Tuberculosis to Homer Folks, the president of that body.

Continuing Col. Roosevelt says: "It is peculiarly fitting that clergymen, churches, and church organizations should impress upon their members and attendants the duty of actively supporting in every practical way their local agencies, hospitals, dispensaries and the like, engaged in the suppression of tuberculosis. The amount of suffering, misery, orphanage, bitter poverty and economic loss that would be obviated by the application of our present knowledge as to the causes and prevention of tuberculosis is simply incalculable."

Wanted a Lower Key
Spatts—My love, I wish you would alter the key of your voice.
Mrs. Spatts—What's the matter with it?
Spatts—Oh, nothing; only from the expression of Eliza Jane's face after our recent argument I'm certain it fits every keyhole in the house.

RECEPTION NEW MEMBERS

First Presbyterians Greet Recruits in Friendly Way; Program of Excellence Given

The Ladies' Aid of First Presbyterian church gave a reception for new members on Friday evening, October 18. The parlor and Sunday school room were beautifully decorated with chrysanthemums.

A short program was given in which the following numbers were rendered:

A piano solo by Miss Isabel Anderson, a duet by Miss Etta Deardorff and Miss Hazel Rowley, two readings by Mrs. Shepherd, all given in a very delightful manner.

After the program a social hour followed and every one seemed to thoroughly enjoy the evening. Light refreshments were served before the company dispersed.

Grandmothers' Gales
Up in San Bernardino yesterday little seven-year-old Paul Rathbun Jordan held a reception for his grandmothers, of whom he has the biggest supply of any lad in the city.

Besides his own mother, there were grandmothers present to the extent of grandmother, his great-grandmother and his great-great-grandmother. The great-great-grandmother, Mrs. Jane Atwood, is one of the pioneers of San Bernardino. She as well as the other grandmothers of young Paul Rathbun Jordan reside in that city.

Iowans Here to Reside
C. F. Kneen and wife, parents of Mrs. E. W. Crawford of Tustin, have taken the property at 1657 East First street, where they will spend the coming year. The Kneens' son, who entered Fairfield College this fall, will join them later and pursue his studies in one of the California colleges.

The newcomers are from near Burlington, Iowa.

Reception for Teachers
The city board of education will hold a reception on next Friday night for the teachers of the city schools. The event will take place in the high school building and it is anticipated that the affair will be a very pleasant one.

Eastern Star Initiation
There will be initiation tonight at the regular meeting of Hermosa Chapter, O. E. S., and all members are cordially asked to be present.

We offer you nothing free at the Conservatory. Everyone pays for what he gets. But you are sure of never paying more and often not so much as elsewhere. UNIQUE HALLOWE'EN PARTY

Gayeries in "Spooky" Rooms and Jolly Supper Spread for 50 Under Bright Light

A unique Hallowe'en party was enjoyed by a number of young people Saturday evening at the home of Pearl Richards, 423 East Fruit street. The guests were met at the door by a couple of "witches" who tagged them with badges tied with yellow and black ribbon, the boys bearing the name of a country, the girls, their corresponding capitals. They were then ushered into the house, dimly lit with candles in pumpkins. Corn stalks, wild sunflowers, chrysanthemums and black cats formed the decorations. A dark and spooky room was arranged where the witches chanted a weird tune, as the "countries and their capital partners" passed through, each receiving from the "witch pot" their fortunes, tied up in a "nutshell."

Later in the evening they were led by a witch to the home of Mrs. J. W. Vlaus, next door, where bright lights, baskets of roses, ferns and chrysanthemums presented a scene resembling fairyland. Tables were set for fifty. Refreshments consisting of ice cream, cake and lemonade were served.

Those present were the Misses Helen Avery, Bernice Howell, Mateil Blue, Nell Cathcart, Gladys Thomas, Marie Harris, Stella Hoops, Elizabeth and Agnes Rudolph, Orrie Torngren, Grace Gebhardt, Katherine Cramer, Cecilia Woodside, Kate Staats, Velma and Dortha Clem, Connie Woodside, Esther Boose, Anna Jacobs, Nell Irvine, Hazel Shields, Pearl and Ruth Richards and Lela Vlaus; Messrs. Frank Hill, Cecil Shields, Henry Foreman, Lloyd Avery, Vergil Clem, Vern House, Roland Wilkenson, James Nichols, Julian Mathews, Melvin Kettle, William and J. P. Sebastian, Irvin Gratehouse, William Matlocks, Roy and Harry Osborne, Elmer Squires, Fay Wright, Joe Irvine, Fred Watkins, and Raymond Edwards.

Announcement Party
Miss Katherine Cribben charmingly entertained Saturday afternoon with an announcement party in honor of Miss Gladys Harrison's approaching marriage to Mark Menges. The announcement was made at a delightfully served one o'clock luncheon at which a color scheme of pink was introduced into both decorations and each refreshment course. A pink wedding bell was suspended over the centerpiece of pink carnations and maidenhair ferns in a cut glass bowl. Big bunches of pink tulle bows, the ends of the table where they were secured with tiny cupid. Cupids adorned the hand painted place cards and the favors at each place were tiny pink tulle bows. The pink ice cream was moulded in the shape of wedding bells.

The pink heart shaped announcement cards were concealed under the plates in the first course and were revealed when the plates were removed. When opened they disclosed the names of the betrothed couple, the date of the wedding-to-be, Nov. 14, and small photographs of Miss Harrison and Mr. Menges.

At the table were seated the hostess, Miss Cribben; the guest of honor, Miss Gladys Harrison; Misses Elsie Harrison, Minnie Besser, Amy Mead, Edna Robbins, Minna Smith, Irene Beatty, Rosamond Norman, Alice Parker, Margaret Wakeham, Mrs. Charles Taylor.

Following the luncheon there were games, fortune telling, music and a towel shower for the bride-to-be.

COUNCIL'S TEST.

The Budding Composer Changed His Schoolmaster's Opinion.

When Gounod was at the school of one who was called the good Papa Pierson he was constantly scribbling musical notes. One day the school master sent for him into his study.

"Your parents complain," said Pierson. "They do not wish any musician in their family. You must be a professor."

"Never!"

"Your only choice is between Greek and Latin."

"But I will be a musician," said Gounod.

"You will? Give it up, I say; it is no profession at all. However, we will just see what you can do. Here's pen and paper. Compose for me a new air to Joseph's words, 'A peine an sortir de l'enfance!'"

It was the recreation hour.

Before the bell sounded for the studies to begin again Gounod came back with his paper completely covered.

"Already?" cried Pierson. "Well, sing it then!"

Gounod sang and accompanied himself and so deeply affected poor Papa Pierson that with tears he pressed him in his arms and exclaimed:

"Oh, my dear boy! Henceforth they may say what they like, but a musician you shall be and nothing else."—From the German.

A Matter of Breed.

"Them fellers in the office of the Bee are what I call fresh," Deacon Ezra Bullock remarked to his wife at the supper table on his return from his monthly visit to the town of Balston.

"How so, father?" inquired Mrs. Bullock.

"Well," Mr. Bullock said, "one o' my errands was from Saba Mabel Briggs. She wanted I should find out why they hadn't punctuated her last poem. They sent a copy, an' she said it made her most sick the way they'd spilt her beautiful ideas."

"Well, when I'd got loaded up to come home I drove round to the Bee office an' compos' room an' becomed a young feller in his shirt sleeves to come out."

"Now, I says, 'you'll do her a favor if you'll tell me why you didn't punctuate Saba Mabel Briggs' last poem?'"

"Cert'nly," s' he. "I'm not a pointer; I'm a setter."—Youth's Companion.

Molded by Circumstances.

Yoshio Markino in McClure's tells the following anecdote of his literal mindedness:

"At the grammar school I used to believe all that I was taught. But very often I made a awful misunderstanding. For instance, our readers said: 'The human nature is just like the water. If you put the water into a square vessel the water will become square, and if you put it into a round vessel it will have a round shape. Boys and girls, therefore you must choose your friends.'"

"No sooner than the school hour was over I ran to my neighbor who had a newly born baby. I told the mother, 'Don't put your baby in a hard, flat bed; her figure will become flat.'"

EVERY ANSWER RIGHT IN LAST AD. CONTEST

Judging by the number of answers received, the alphabetical contest grows in interest each week. A surprising feature of last Friday's contest was that of the more than forty answers sent to the office, every one was correct.

In the Santa Ana Artificial Stone Company's ad "specifications" was wrongly spelled with an "s" in place of a "c" in the first syllable, and in H. H. Reuter's ad "faultlessly" was spelled with one "s" instead of two as it should be.

Mrs. C. D. Shields, 415 West Walnut street, was the name on the first coupon drawn from the hat, and Paul Jones of Tustin was the other winner.

The following is a list of those who sent answers:

ANAHEIM
BOY SCOUTS
HELD A RALLY

Institution Has Proved a Great
Success Among Boys of
Anaheim

ANAHEIM, Oct. 21.—Friday night the Boy Scouts of both troops of Anaheim held their first "fall rally" in the eucalyptus grove of the president of the Scout committee, S. C. Harranft, on East street. Thirty boys responded to the invitations sent out, meeting at the First Presbyterian church at 5:30 o'clock. From the church the party hiked out to the grove, singing scout songs, yelling scout yells, and having a general good time. Among the trees Mr. Harranft greeted the boys and put them to work making the campfire. Soon a great blaze was sending up sparks. Around this the boys had a "war dance." A "wienie" roast was the next feature, each boy roasting his own "dog." Lemonade and cookies were prepared by Mrs. Harranft, each boy receiving a hot that he could eat. Then the squad was divided into two groups to play Scout games, "run sheep," etc. After these the boys swapped yarns around the campfire until time to leave. The crowd dispersed at the church at about 10:15.

The meeting was planned by Scoutmasters Douglass and Goble, and Assistant Scoutmaster Raymond Elliott. The county Y.M.C.A. secretary, Mr. Hamilton, was expected, but he failed to show up because the evening train was over an hour late. Besides those in charge, Messrs. Gibbs, Wickett, Harranft, Gates and Gregg were present. Mrs. Harranft and Mrs. Fletcher were guests.

The rally was a success in every way. The Scouts are ready to begin their Friday evening meetings for the fall, and the boys invited as guests are anxious to become Boy Scouts. The Y.M.C.A. plans to foster the Scout movement throughout the county and as soon as the building in Anaheim is completed the meetings will be held there. At present there are two troops, one in the Methodist Sunday school under the management of Scoutmaster Douglass, the second in the Presbyterian Sunday school with Scoutmaster Wayne Goble and Assistant Scoutmaster Raymond Elliott in control. This split combination has proved very satisfactory, but all of the leaders realize that more boys can be reached and benefited when the forces combine in the Y.M.C.A.

Two years ago E. B. Douglass became interested in the Scout movement, applied for and received the first Scoutmaster certificate issued in this county. He worked up enthusiasm among the high school and grammar school boys and secured Wayne Goble, Howard Gates and Raymond Elliott as patrol leaders. All studied and worked together and had one full troop in good shape when the place of meeting was closed to them. This caused a delay in progress during which the older boys dropped out. The younger boys retained their interest and took advantage of the invitation to meet in the Sunday school rooms. Separate troops were organized in each of the two before-mentioned churches. The meetings have been held regularly every Friday evening, enabling nearly all the boys to become second-class Scouts. Both troops look forward to the union under the wing of the Y.M.C.A., and this work will be given special attention by the Y.M.C.A. officials.

At the last Y.M.C.A. county committee meeting held in Santa Ana last month, the Y.M.C.A. attitude toward the Scout movement was determined. A committee consisting of L. O. Culp of Anaheim, William Starbuck of Fullerton, and County Secretary Hamilton of Santa Ana, was appointed to encourage the movement throughout the county in the branches of the Young Men's Christian Association.

High School Notes
The first number on the high school entertainment course, the Fisher-Shipp Concert Co., comes on Tuesday evening, Oct. 22. The Kansas Tin Shop

(213 East Fourth St.) has been filling a corner of its own choice for a time past, but, having been crowded off its corner the spirit moves us to make "virtue of the necessity" and again hoist the flag of the "Kansas Tin Shop" under which flag this craft has sailed for the past twenty-seven years.

The said Tin Shop has grown considerably since it was christened, but it is the same old boat and managed in the same way by the same crew and the same motto is at the masthead: "Live and Let Live, a fair division of the combination of capital and labor."

We have more money invested in this business than any other house in Orange county and we have to pay more taxes and we have concluded that the fun of living is worth all it costs.

When in the course of human events we should conclude to "get rich quick" we will emulate the man with the hoe and retire to our respective ranches and let some other fellows run the shop. Till then we will keep full our stock of hardware and all other goods that ought to be found in a hardware house—and give every one a "Square Deal."

There are four musical numbers on this year's course, the Carter Jubilee Singers, original old plantation melodies, the Cosmopolitan Quartette, singers and string instrumentalists, and the Wilbur Starr Concert Co. The program is strongly musical, there being but three other numbers. Ross Crane is a cartoonist coming on the 28th of this month, Ernest J. Dias, a lecturer, is next, coming on the 12th of December. The Samuel Traylor comes in February. The course is very good and the people are having their seats reserved in advance. The tickets are \$2.50 for the seven numbers, or 50 cents for each entertainment separately. High school and grammar students have a special rate of \$1.75 for the course.

Debate
Great interest is being shown in the coming debates with Hollywood High School and Santa Ana High School. Walter Spaeth, Lawrence Waller, Earl Spencer, Ashleigh Chamberlain, George Hedstrom, William Webb, Howard Krause and Clarence Chamberlain are working hard for the first preliminary debate. The first debate will be with the Santa Ana High School at Santa Ana on November 15. This will be an extemporaneous debate. The Hollywood argument will be held in the football city toward the last of November. The date has not yet been set. The interest so far points toward winning teams.

Y.M.C.A. RALLY
AT ANAHEIM

Young Y. M. C. A. Men From
Over County Opened First of
Series of Sunday Rallies

Sunday afternoon the first of a series of Sunday afternoon rallies of the Y.M.C.A. young men of Orange county was held in the Presbyterian church at Anaheim. Two automobile loads from Garden Grove, two from Fullerton and one from Santa Ana furnished the delegations from outside Anaheim. The president of the local association in Anaheim, Mr. L. O. Culp, presided. Malcolm Tedford of Santa Ana led the singing, and Harold Henshaw acted as organist.

The program consisted of a number of short talks on different phases of the topic: "The Y.M.C.A. and Its Work." Those who spoke were Charles Robinson, president of the Santa Ana Y.M.C.A., who has also been in touch with the Association work in colleges and who believes that next to the college department the county Y.M.C.A. has the greatest opportunity for doing good. Mr. S. C. Harranft, who formerly taught in one of the colleges of South Dakota, spoke of different experiences he had met with in connection with the College Association work. Harold Henshaw, who formerly lived in England, spoke of the work in his native country and in several of the foreign lands.

George Oertly of Garden Grove told of some of the possibilities of the work in the county and in the small towns and rural points. Malcolm Tedford told of the value that he and many other boys had received in attendance at the summer camps of the county Y.M.C.A. and urged every boy to go if he could get the chance. Prof. Lent of the Anaheim High School faculty told of his experiences in a Y.M.C.A. in Michigan where he taught a Bible class in the Association there. A number of the young men and "Father" Key, chairman, told of the help that the Y.M.C.A. had been to them in their lives. Mr. Kohlens "ger of Anaheim told of his work in the Y.M.C.A. while living in Germany.

The meeting closed with a short talk by the county Y.M.C.A. secretary, R. J. Hamilton, who emphasized the need of young men to put themselves into the service of their fellows and of younger boys as Bible class teachers, Sunday school class teachers and leaders of Boy Scouts. P. M. German of Garden Grove led the devotional exercises and a number of others took part in the service.

The meeting was an inspiration to all who attended, making many feel that the Y.M.C.A. was a great organization and one to which anyone could feel proud to belong.

It is hoped to have the next rally at Huntington Beach.

FULLERTON
CAMPEO NOW
AT FULLERTON

Fullerton Committee is Named
to Get a Pacific Electric
Extension

FULLERTON, Oct. 21.—The first crew of the surveyors for the Highway Commission have reached Fullerton and pitched camp in the north part of the city. The survey to the corporation line will be completed next week. Three miles of the route which passed through the center of the city will be paved under the municipal bond issue.

Between Anaheim and the Orange county line, which will be reached in the La Habra Valley, the surveying corps will have between three and four weeks' work. It is expected that it will have all of its report in the hands of the Highway Commission for Orange county by December 1. The work in the county to date extends from the San Diego county line to Anaheim. The survey in San Diego has been finished. The survey in Los Angeles county will reach the Orange county line about the time that Mr. Moore and his corps finish their work in this county.

Mr. and Mrs. W. H. Allen of East Commonwealth avenue, Saturday evening celebrated the fifty-third anniversary of their wedding, and a number of friends gathered to commemorate the event. Mr. and Mrs. Allen are, respectively, 75 and 73 years of age, and are hale and hearty. They were married in Wisconsin and lived in Minnesota during the period of the Indian massacres.

W. H. Fraley, field superintendent of the Standard, and C. E. Bloyd have purchased the garage of the firm of Barber & Teller, at the corner of Spadra and Amerigo.

The first basketball game of the season will be played between the Fullerton High School and the Huntington Beach High. November 23, Anaheim and Fullerton will play November 30, and Fullerton and Orange December 14. Santa Ana and Fullerton, December 7.

The Chamber of Commerce has appointed a committee comprised of E. K. Benchley, B. G. Balcum and C. C. Chapman to confer with the officials of the Pacific Electric relative to an extension of the line from Orange to Fullerton.

**GAS SOURNESS AND
INDIGESTION VANISH**
As Soon as "Pape's Diapiesin"
Gets in Stomach All Dis-
tress is Gone

"Really does" put bad stomachs in order—"really does" overcome indigestion, dyspepsia, gas, heartburn and sourness in five minutes—that—just that—makes Pape's Diapiesin the largest selling stomach regulator in the world. If what you eat ferments into stubborn lumps, you belch gas and eructate sour, undigested food and acid; head is dizzy and aches; breath foul; tongue coated; your insides fill with bile and indigestible waste; remember the moment Diapiesin comes in contact with the stomach all such distress vanishes. It's truly astonishing—almost marvelous, and the joy is its harmlessness.

A large fifty-cent case of Pape's Diapiesin will give you a hundred dollars' worth of satisfaction or your druggist hands your money back. It's worth its weight in gold to men and women who can't get their stomachs regulated. It belongs in your home—should always be kept handy in case of a sick, sour, upset stomach during the day or at night. It's the quickest, surest and most harmless stomach doctor in the world.

**NEW BANK OPENED
DOORS ON SATURDAY**

ANAHEIM, Oct. 21.—The Anaheim National Bank formally opened its doors Saturday afternoon. The spacious well-equipped institution was crowded from 3 o'clock until 5 and from 7 until after 9 in the evening. Pencils and pocket-books were given as souvenirs to those registering and refreshments were also served. The Anaheim High School Orchestra provided music for the occasion. The vaults were opened to the public as was every part of the bank with the lone exception of the safe. The Anaheim National Bank has been doing business since July 22. The officers of the new bank constituted a reception committee. They are: Charles Eygabroad, president; V. U. Simpson, vice president; F. C. Krause, cashier; E. S. Goble, assistant cashier; directors: George W. Hamler, S. C. Hartanft and Marco Hellman. J. W. Duckworth, a director, is now in Honolulu, Hawaii.

LOS ANGELES PRODUCE MARKET
Three cars bananas arrived on the market yesterday. The price on the fruit remains the same, but may become firmer as the demand is very good, and is expected to become better as the other fresh fruits go out of season. A car of pineapples was received. The price on the fruit remains the same. Grapes are still rather scarce as compared with the quantities on the market a week or so ago. Some Emperors have been coming in, but most of them have gone into cold storage. Tokays, muscats and cornichons are the leading varieties on the market. A few boxes of strawberries and blackberries were received.
There is a large quantity of cull lemons on the market and they are being received steadily.
Dried figs are arriving in large quantities. While Adriatics put in an appearance yesterday.
Tomatoes are scarce and quoted as high as 60 to 75 cents. String beans are selling all the way from 3½ to 6 cents.
There was no change in the staple market. The demand for Eastern cheese is very good at present. The fact that cheese is quoted at 17½ in San Francisco may force the price up on local varieties here. Northern storage was offered at 16½ on the local market and domestic wheel cheese at 22. Some limburger was put up for sale at 20. Egg receipts continued light. Only forty-one cases came in. Butter receipts were 16,155 pounds and 6390 pounds of cheese came in. Eggs are firm at 43 cents in San Francisco, an advance of 1 cent over previous price. Trading in dairy and poultry products was light here.

THERE IS ONLY ONE Crop of Land
—James J. Hill.

The last sub-division of the Yucaipa Red Apple land goes on the market this week, 3000 acres, under irrigation, known as the "South Bench" and the very cream of our 11,000 acre tract. Remember there is only one crop of this land. Get in at the beginning. Easy terms of payment.

WHERE IS IT?
Not up north or out on the desert, but right here in Southern California, only 60 miles from Santa Ana. It is NOT cold in winter and it is cool in summer because the elevation is 3000 feet.

THE LAND
is the very best. It is like a choice bit of Tustin or Placentia. No stones, no brush, no cactus, no bumps or washes on the south bench. No leveling, but ready to plant and irrigate and will raise anything.

THE TRIP
to Yucaipa is well worth while. On the way we pass through the Santa Ana canyon, Corona, Riverside, San Bernardino, Highland and Redlands. At Redlands we take you in our big automobiles to Yucaipa City and through the twenty-five hundred acres of young apple trees to the new sub-division, the south bench. One day's time, and \$3.40 is the expense. Go with us this week and see for yourself.

We now have a new plan for non-resident investors, for people who do not want to locate on the land till the trees have grown a year or two. Come and let us explain the method to you.

IN THE JUSTICE COURT

FORGED NAME TO \$35 CHECK

Boy Who Escaped From State School at Whittier is Sought for Crime Here

A youth who is an escape from the state reform school at Whittier was not reformed by his stay in the institution and on Friday of last week he passed a forged check for \$35 here. He went bare by the name of Frank Wallace, and declared that he had been at work for W. J. Wallace. On Friday the boy went into Utley & Mead's clothing store, made some purchases and presented a check made out to him on the First National Bank, to which was signed the name of W. J. Wallace. The bank returned the check as a forgery, and R. W. Mead swore to a complaint charging the boy with a felony.

Wallace has been at work for R. J. Wooley. About two weeks ago Wooley gave him a check for \$6 in payment for his work. Wallace is alleged to have raised the check to \$60.

Constable Jackson has a warrant for Wallace's arrest, and this afternoon he started for Whittier, where Wallace has been caught.

Were Out of Hay

Justice Cox has two cases of hay-stealing to hear.

Saturday night Under Sheriff Squires got word from J. M. Rusk of Westminster that a Mexican with a white horse had stolen three bales of hay from C. C. Cousins' ranch. Squires went out and with Rusk took up the trail of a wagon. The trail was followed for eight miles along county roads, through willows, and about 2 o'clock in the morning the horse was found in a barn and the hay hidden under a tent. The man, later identified as having been seen at Collins' ranch, was arrested. His name is Juan Arbolas. He and his wife declared that they rented the rig to an unknown Mexican, who must have brought the hay back.

Francisco Rodriguez was brought in from Newhope Saturday by Constable Clark, who trailed a wagon to Rodriguez's house and recovered 600 pounds of lost alfalfa hay stolen from Gill and Frank Walker. When arrested Rodriguez said he bought the hay from a neighbor, Luis Chacon. Chacon denied it. Later, and after seeing Rodriguez's wife, he said that Rodriguez had told the truth.

Talbert Row
Last night at midnight Squires and Law went to Talbert and arrested Martin Ramirez, Marcos Muellas and Maximo Nebares, who were drinking. In playful mood they had taken Ramon Reyes out, and one of them rubbed his ribs with the point of a loaded revolver and threatened to kill him.

JACK JOHNSON IS BURNED IN EFFIGY

Chicago Riot in Matter; Judge Not Ready to Take Johnson's Bond; Fight May be Off

CHICAGO, Oct. 21.—After hanging a black-faced dummy bearing the sign: "This is what we will do to Jack Johnson," a large crowd was dispersed by the police today. The demonstration caused a riot and further trouble is expected.

Bond Was Not Accepted

CHICAGO, Oct. 21.—Judge Wilkeson refused to accept a bond offered by Jack Johnson for Miss Lucille Cameron.

"I want you to understand you are also suspected in this case," said the judge.

SYDNEY, Oct. 21.—Hugh McIntosh called his representative in Chicago today to call the matches for Johnson off. Australia does not want him there since the recent revelations in Chicago.

LOS ANGELES-MADE AEROPLANE FLIES

Spectacular Flight Made By Robert G. Fowler, Who Originated Type of New Craft

LOS ANGELES, Oct. 21.—With a biplane manufactured in Los Angeles, Robert G. Fowler yesterday made a spectacular flight from Elysian Park to the Castown ostrich farm in South Pasadena. Before alighting the aviator showered the heads of hundreds with colored feathers, some of which bore numbers calling for prizes.

The performance of the new biplane was watched closely and reports made to the East by telegraph. Several new features are introduced, one of which is the lessening of wind resistance when the machine is stripped for racing. Fowler originated the type.

The aviator approached the landing park at an elevation of more than 1000 feet. At that height he shut off the engine, and then in broad spirals came to the ground within a few feet of the designated place.

FEDERALS REFUSE FIGHT AT VERA CRUZ

Garrison of Fort Ulaca Deserts to Diaz; Des Moines in Port of Vera Cruz

VERA CRUZ, Mex., Oct. 21.—General Felix Diaz has twice gone out to meet the Mexican federals, but the latter retreated and refused to fight. The city is isolated and quiet. Supplies of food are short.

Federal Garrison Joins Rebels
Following a bombardment by rebels occupying the federal gunboats, the soldiers of the twenty-first battalion, garrisoning Fort Ulaca, on an island in the harbor, yesterday joined the revolutionary forces of Felix Diaz. Several refugees on the island were killed by the shells from the gunboats Bravo and Monelos.

The foreign consuls last night called their governments to send gunboats to protect the foreign residents. The Ward liner Seraganza arrived yesterday, but will not discharge her passengers.

The German and Russian ministers in Mexico, who arrived here on the steamer Seraganza, left last night for Mexico City on a special train supplied by Diaz. The German and Russian consuls traveled with them part of the way.

A German liner has arrived to take off German subjects in case of a bombardment.

The United States Cruiser Des Moines, in command of Capt. Charles F. Hughes, steamed into this port last night. An officer from the warship visited General Diaz this morning and arranged an interview on behalf of Captain Hughes. General Diaz then visited the Des Moines, where the American captain had a long conference with him, the nature of which has not been divulged.

The feeling of anxiety among foreign residents has been considerably relieved by the arrival of the Des Moines and it is considered probable that a battle, if it is fought, will take place beyond the city limits. Two other American warships are expected here at any time.

THINGS ALL OUGHT TO KNOW

As Christian Bible Students—The Satisfactory Proof of "Why God Permits Evil."

One of the questions which comes to nearly every thinking mind today is, "Why does God permit evil?" As we look about us in the world we observe that it is filled with sorrow and trouble, sickness and pain and every trial we could enumerate, and we cannot help wondering WHY GOD ALLOWS IT. We realize that He is almighty and that He could prevent it if He wished. We read in His Word that He is more willing to do for His children than are earthly parents for theirs, and we know how much that means; yet oftentimes, it seems that those who try to do and live right have the most trouble. This question is made very clear in a book entitled, "The Divine Plan of the Ages." Every statement is backed by Scripture, and shows that while God does not sanction evil HE HAS ALLOWED SIN AND DEATH TO REIGN FOR THESE LONG SIX THOUSAND YEARS. This and many other subjects of deep interest to all of God's people are discussed fully and in language easy of comprehension.

NO PERIL TO EDUCATIONAL SYSTEM FROM LAPSE OF BOARD

SACRAMENTO, Oct. 21.—Edward Hiatt, Superintendent of Public Instruction, said that the state educational system would not suffer appreciably through the abolishment of the State Board of Education of November 5. The last meeting of the board occurred five months ago. Hiatt says if seven months elapsed before the new board met, he could see no danger in the situation.
